www.WebMLS.net offers 4 full service plans:

Full service is defined as WebMLS agent doing the following:

- 1) List the above property in the local REALTORS Multiple Listing Service (MLS).
- 2) Place a www.WebMLS.net For Sale sign in the front yard of the above property (if allowed by the HOA). IF the property is located in an HOA community that requires a unique sign, seller must provide sign with www.WebMLS.net & agent name & phone number on sign. Seller will not add additional signs or numbers.
- 3) Place up to 6 photos of the property in the local REALTORS MLS System.
- 4) Receive all buyer calls on the property.
- 5) Set all showings on property per seller instructions.
- 6) Call the Buyer Broker/Agent for feedback and report feedback to seller.
- 7) Negotiate the Offer to Purchase. All contract negotiations will be done using fax, phone and/or email with the contract converted to a PDF file.
- 8) Set appointments for all inspections and appraisal.
- 9) Negotiate the results of the whole house inspections.
- 10) Take care of all details for and attend closing (agent or closing coordinator).
- 11) Seller may choose to host open houses and may, at seller option, place and pay for advertising seller chooses to do for open house.

**All up front listing fees are non-refundable. Seller will be charged a \$50 service fee for a returned check added to new replacement check. Non payment of Upfront Listing Fee chosen below will automatically change this contract to 7% total commission.** www.WebMLS.net reserves the right to cancel this contract at anytime.
